1 Pursuant to section 1746 of title 28 of the United States Code, I, John K. Trotter, hereby  
2 declare under penalty of perjury that the following is true to the best of my knowledge, information,  
3 and belief:

4 1. I am an attorney at law licensed to practice law in the state of California. I am in  
5 good standing. I am duly authorized to make this Declaration (the “**Declaration**”). Unless  
6 otherwise stated in this Declaration, I have knowledge of the facts set forth herein and, if called as  
7 a witness, I would testify thereto.

8 2. I submit this Declaration in support of the Application (the “**Application**”) of the  
9 Official Committee of Tort Claimants (the “**TCC**”) of PG&E Corporation and Pacific Gas and  
10 Electric Company (collectively the “**Debtors**”) for the entry of an order authorizing my  
11 employment as the proposed trustee for the period beginning on January 13, 2020 and terminating  
12 on the effective date of the claims resolution trust agreement (the “**Trust**”), pursuant to  
13 section 1103 of title 11 of the United States Code (the “**Bankruptcy Code**”), and Rules 2014 and  
14 5002 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”). I am being  
15 retained to independently evaluate issues of concern to the establishment of a claims resolution  
16 process and receive input from the TCC and consenting fire claimant professionals for this  
17 purpose.

18 3. I am a former judge, having retired from the California Court of Appeal in 1987.  
19 Upon retiring from the bench in 1987, I joined JAMS, and have gained a reputation as one of the  
20 nation’s leading experts in ADR. I have served as a Special Master in several Multi District  
21 Litigation Pharmaceutical matters, including, Zyprexa I, Zyprexa II, Baycol, Rezulin, Vioxx, the  
22 Toyota Sudden Acceleration case, and other complex cases in both Federal and State court,  
23 supervising the claims and payment to thousands of plaintiffs in each litigation. I also formulated  
24 a resolution program for the 2007 San Diego fire cases and supervised the resolution of all the  
25 victims’ claims.

26 4. Through my tenure with JAMS, I have successfully resolved thousands of cases  
27 involving a variety of matters, including: (i) mass torts; (ii) class actions; (iii) complex business  
28

1 disputes; (iv) personal injury; (v) insurance coverage; (vi) employment (vii) bad faith; (viii)  
2 pharmaceuticals; (ix) contract disputes; (x) toxic torts; and (xi) professional liability. I have  
3 received numerous honors and recognitions over the course of my career, including:

23     5. I am a veteran of the United States Army having served in Korea and Hawaii from  
24 1953 to 1956. I served in the 25th Infantry Division and was Honorably Discharged with the rank  
25 of Staff Sergeant.

26     6. I obtained from the TCC and/or its representatives the names of individuals and  
27 entities that may be parties in interest (individually a "**Potential Party in Interest**" and  
28

1 collectively the “**Potential Parties in Interest**”) in the Cases. I reviewed the name of each  
2 Potential Party in Interest to determine the names of each Potential Party in Interest that has entered  
3 into engagement agreements with me in the last two years. Additionally, where the review *did not*  
4 produce a name identical to the name of Potential Party In Interest but *did* produce a name that  
5 could potentially be an affiliate of a Potential Party in Interest or associated with a Potential Party  
6 in Interest by virtue of name similarity, I also identified and disclosed relationships with any such  
7 Potential Party in Interest.

8 7. In several instances, the names on the list of Potential Parties in Interest were very  
9 common and/or generic. As such, it was not possible to identify with certainty whether I have any  
10 client relationship to disclose for those specific names.

11 8. My search revealed that in the past two years I served as a neutral in a  
12 pharmaceutical multi district litigation involving parties who were represented by attorneys who  
13 are representing certain fire victims and committee members. The lead attorney was Steven Skikos  
14 from the firm Skikos Crawford Skikos & Joseph, LLP. The mediations are closed and did not  
15 involve the Debtors.

16 9. It is possible that I may now or in the future be retained by one or more of the  
17 Potential Parties in Interest in unrelated matters. To the extent the Debtors discover and disclose  
18 additional Potential Parties in Interest during the course of these Cases, I will use reasonable efforts  
19 to identify whether a material relationship exists with any such parties. To the extent that I discover  
20 or enter into any new, material relationship with Potential Parties in Interest, I will supplement this  
21 Declaration.

22 10. Although unlikely, in addition to the above disclosures, I may also represent, or may  
23 have represented, affiliates, equity holders or sponsors of Potential Parties in Interest and I may  
24 have worked with, continue to work with, have or had mutual clients with, been represented by  
25 and/or advised certain accounting and law firms that are Potential Parties in Interest (and, in the  
26 case of law firms, may have entered into engagement agreements in which the law firm was named  
27 as client although the work was performed for a mutual client of mine and the applicable law firm).

28

1 I may also represent, or may have represented in the past, committees or groups of lenders or  
2 creditors, which committees or groups include, or included, entities that are Potential Parties in  
3 Interest.

4 11. Although I have researched the Potential Parties in Interest list, the Debtors may  
5 have customers, creditors, competitors, and other parties with whom they maintain business  
6 relationships that are not included as Potential Parties in Interest and with whom I may maintain  
7 business relationships.

8 12. Other than as disclosed herein, I have no relationship with the Debtors, the United  
9 States Trustee for Region 17 or any person employed in the San Francisco office of the United  
10 States Trustee or any United States Bankruptcy Judge for the Northern District of California of  
11 which I am aware after due inquiry. Based on the foregoing, I believe that I am disinterested as  
12 defined in section 101(14) of the Bankruptcy Code and do not hold or represent an interest  
13 materially adverse to the Debtors or their estates.

14 13. As of the date of this Declaration, I have not received any compensation for my  
15 work on behalf of the TCC.

16 14. I intend to apply to the Court for payment of compensation and reimbursement of  
17 expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules,  
18 the Guidelines promulgated by the Office of the United States Trustee, pursuant to the order  
19 entered by this Court on February 28, 2019, establishing the procedures for interim compensation  
20 and reimbursement of expenses of professionals (Dkt. No. 701), the Notice of Filing of Parties'  
21 Revised Fee Examiner Protocol (Dkt. No. 4473), and any additional procedures that may be  
22 established by the Court in these Cases.

23 15. Subject to the Court's approval, I will be compensated at my standard hourly rates,  
24 which are based on my level of experience, plus reimbursement of the actual and necessary  
25 expenses that I incur in accordance with the ordinary and customary rates which are in effect on  
26 the date the services are rendered. At present, my standard hourly rate for a matter such as this is  
27 \$1,500.

Response: I did not represent the TCC prior to the commencement of the Debtors' Cases.

Question: Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Response: I will be working in this matter as a trustee. I understand that the TCC, along with the Debtors, United States Trustee and Fee Examiner, will maintain active oversight of my billing practices.

19. I will use reasonable efforts to comply with the above Guidelines.
