

July 9, 2024

I hope everyone had a relaxing Fourth of July break. We've talked quite a bit about the Road to Completion, and now we are focusing on winding down the Trust.

As of December, we had issued Determinations on 100% of claims, and now over 99.7% of all determinations have been accepted and are final. All of those that remain are in Reconsideration or Appeal.

The deadline to receive all signed releases is August 15th. So far, over 93% of eligible Claimants have submitted both required releases.

Claimants who do not submit completed, signed releases by August 15th will not receive further distributions from the Trust. The Trust's public website includes FAQs ([here](#)) regarding the release requirements and submission process.

My team and I look forward to winding down the Trust with your continued cooperation.

Thanks,
